

Technical Support Team Meeting

Conference Call Agenda

March 15, 2011

3 pm-4pm EST/ 2 pm-3pm CST/1 pm-2pm MST

- Welcome, Introductions, Assignments (Timekeeper, Note taker, Facilitator)
- OSY Lit Review Update Discussion: is being updated to include what works for the population/ other suggestions/ Uses/Marketing/better organized/too general headings
- OSY Profile and Instruction Sheet: completed and sent to state directors
- Update on April Meeting and TST Agenda Discussion: input into the agenda. Is there anything else we need to address?
- Networking plan for TST Meeting: what topics would you like to network around at the TST? Built in some time to do this (meets FII indicator on receiving TA through the TST)identify who does what in the data collection/good models/Tracie will send an e-mail about questions/
- Discussion: Ideas to involve all states in consortium work/give them jobs – NJ/lit review or what works committee
- Updates from Work Groups: Each work group will discuss what they plan to share at the TST meeting next month. Curriculum: parenting draft, how to do videos, legal lesson draft, ESL index. Training workgroup: introduce template, review intro, training topics. TA: conference call needs to be set up. Tracie will set up another call. Need to ask other states for their snapshot data. MS, NH, (the group needs to decide what we ask states for) ID&R: Send strategies to group and the TST.
- Technology Discussion
- Database Committee: will meet on Thursday
- Schedule/Meeting locations to take to TST: late October/January/April

- Set specific dates at TST meeting
- Major hubs
- What Works Committee: stay on the line for a moment to pick meeting date
