

iSOSY Evaluation Checklist 2024-25

State Responsibilities

1. Participate in **State Steering Team (SST)** meetings.
2. Designate a **representative for the Technical Support Team's (TST)** and **Professional Learning Circles (PLCs)**. The PLC members will be responsible for ensuring the implementation of an iSOSY initiative and reporting results.
3. Ongoing participation in project activities, including use of instructional materials and staff training.
4. Provide evaluation data to the lead state.
5. Work with your authorized representative to complete required Federal forms.

Use of iSOSY Products

1. Assist migratory youth in completing instructional materials. Report number of students assessed and number gaining 5% on Form 1: Director/Coordinator Report.
2. Identify the needs of OSY and at-risk secondary students and provide instruction aligned to needs/goals.
3. Provide training to staff and/or ensure staff attend online professional development. Report results on Form2: Staff Training Survey.
4. Track progress along pathways including enrollment in HSED/GED programs, enrollment and attainment of certificates, reenrollment in regular high school, etc. Report results on Form 1: Director/Coordinator Report.
5. Implement iSOSY initiatives and report results on the Form 1: Director/Coordinator Report.

This list and all forms can be accessed at www.osymigrant.org/data-collection
