    - i. **CIG reading, CIG Math, INeT**
      - 1. Have 1 session/panel/ lab to highlight the websites of all the consortia—Barbie suggested Rachel could run the lab. Should involve practitioners who use the materials. NH, NE, MN.
      - 2. Talk to hotel about internet speed and access in one main room
      - 3. 1 session and possibly a repeat for the lab (or not run during the session/on breaks/at the end of day). Look into logistics.
      - 4. Ask Susan Alghelt (who has used the materials with OSY?)
      - 5. How are each CIG working with OSY?
      - 6. How can we increase this collaboration/coordination of the work?
    - ii. **OSY Language Screener-** Monika (Jessica can send comments to Susan- some tips), Barbie- send comments to Susan. Jessica may be interested in helping.
      - 1. Should also focus on revisions/improvements to the assessment
      - 2. Include the pilot survey information
      - 3. Process for revising the screener
- 5. Conference call dates and future TST meeting dates**
